Law 195 Current Issues in Environmental Law and Policy
Semester 1, 2021
Presentation proposal

Name: Ajit Kaur Shahi

Proposed topic:
Landlock Territorial Proposal [1]

Initial thoughts on scope of presentation
Resignation of the doctrine was followed under the German Environment Law. [2]

I propose the detailed submission of the understanding of the doctrine and due apologies for the resignation.[3]

Proposal submissions may outline various constitutional understanding abstracting the due regards to the colonisation and or environment.[4]

Proposal will be requesting the theorists to oblige the decision , without formation.[5]

Proposal will compliment the decision.[6]

Initial thoughts on what sources I will/have consulted

Primary and secondary sources of law.

Submission format and timing.

Format of submission will consult the various legal dialogues.
